

ACTA SCIENTIFICA BALCANICA is an open access scientific journal issued by the Faculty of Natural Sciences and Mathematics, University of Banja Luka. The journal publishes articles from the fields of **natural sciences**:

- *Biological Sciences,*
- *Earth Sciences and related Environmental Sciences,*
- *Chemical Sciences,*
- *Physical Sciences,*
- *Other Natural Sciences,*
- *Mathematics and*
- *Computer and information science.*

The journal accepts only articles which have not been previously published elsewhere (except for abstracts in proceedings of scientific conferences), classified as following:

- Original scientific paper
- Preliminary/Short communication
- Review paper
- Scientific critique
- Informative article (editorial, commentary etc.)
- Review of book, instrument, software, case, scientific event etc.

Submitted manuscripts, which meet the above criteria, will be considered and will undergo double-blind review prior to publication. Respecting the same criteria, journal publishes articles from conference, symposia or congresses, which are organized by the Faculty of Natural Sciences and Mathematics, University of Banja Luka, as special issues.

First number of the journal, named SKUP, has been published in 2004 and since 2009 the journal has been registered as: SKUP (Print) ISSN 184-4820, SKUP (Online) ISSN 1840-4839 and SKUP (CD-ROM) ISSN 1840-4847.

The frequency of publishing regular issues of the journal is twice a year.

Starting from 2019, the journal publishes articles in two languages (Serbian and English) or only in English.

Since 2020, the journal changes its name into **ACTA SCIENTIFICA BALCANICA** ((ISSN 2831-0055 Print and ISSN 2831-0063 Online).

All issues of the journal are available in electronic form at the web site of the Faculty of Natural Sciences and Mathematics (<https://pmf.unibl.org/arhiva-asb>), and issues from 2016 at the web site of the National and University Library of the Republika Srpska, DOI Agency (<http://doisrpska.nub.rs/index.php/SBERS/issue/archive>). From 2016, all articles have DOI numbers. Journal is indexed in CrossRef (www.crossref.org).
